

# STRAGNELL FAMILY REUNION

## 3 AUGUST TO 17 AUGUST 2013

Guys and Gals

This time next year . . .

With good luck, fair winds and a following sea we shall have an opportunity to gather once again at Lake George in August 2013. Preparations are in hand for the next Stragnell Family Reunion (theme to be determined – any and all suggestions most welcome).

The gathering will be held from **Saturday 3 August** to **Saturday 17 August 2013** and the Grand Celebratory Celebration will be held over the middle weekend – Friday 9 August to Sunday 11 August. Next year's festivities will include a 90th Birthday Celebration for Grandpa and a 1st Birthday Celebration for Azalea Charlotte!

Next year's reunion promises to be the best and biggest ever! Mindful of the increasing number of young people, we have secured the facilities and accommodation available at The White House (next door to Sandy and Pam) with its lawn rolling down to the lake to serve as the main base for the festivities.

So, for those of you for whom it matters, start initiating those discussions with your work colleagues, significant others and those friends and neighbours who look after your pets and/or garden while you are away to ensure that you have as much time off as you can manage to enable you to attend.

More details will follow in due course.

Love to you all,

Greg
