

Floating in a Kayak

Floating in a kayak
On a Lake George afternoon
The sun above
And ones you love,
It makes you want to croon

Guitars and banjo strumming
An old and worn out tune
Floating in a kayak
On a Lake George afternoon

We're forty plus, it's such a blast
A far-flung fam'ly's dream
A bunch of chefs who do their best...
We're bursting at the seams!

A Stragnell fam'ly 'union
To be parted much too soon
Floating in a kayak
On a Lake George afternoon
